

SAVE LINN COUNTY

A large natural gas power plant is proposed very close to
Atkins, Fairfax, and Cedar Rapids

This power plant is being built near your home.

What's Being Proposed?

- A new natural gas power plant at Hwy 30 and Linn -Benton Road
- **1.7 Miles** from Atkins
- **2.3 Miles** from Fairfax
- **2.5 Miles** from Cedar Rapids
- Per the State of Iowa, the site impact area covers 10 miles around the proposed plant.

Why This Matters

Air & Health

- Emits NOx, CO₂, and particulate matter
- Linked to asthma and other respiratory issues
- **Impacts nearby and downwind communities most**

Property & Land

- Located on prime agricultural land
- Industrial proximity can impact home values
- **Once developed, this land is gone permanently**

Safety

- Risk of gas leaks and industrial incidents
- **Residents deserve distance from industrial hazards**

Quality of Life

- Continuous noise and bright nighttime lighting
- **Permanent change to the rural character of the area**
